KMA Security & Patrol
Balboa Peninsula Point

March 19, 2022 (Balboa Peninsula Point Patrol Assignment)
Shift: 8pm to 4am
S/o Walter Jenkins on duty

8:00pm to 9:00pm: I began my shift starting from A st towards the Jetty park as I turn left off of G Street to Ocean blvd I was stopped by Melanie a resident at 107 G Street and she informed me of a incident that happened earlier that day about a guy being crazy an talking to her reckless she informed me she did called the police but was still on edge a lil bit that he could possibly come back an I assured her I would make more rounds by her residents an also exchanged numbers just in case she has a problem an need my assistance. She also recorded the guy and allowed me to take a picture of the guy to keep me aware of how he looks if he comes back. I then continued my patrol and head over to the clubhouse to turn on porch light an secure clubhouse and continued my patrol while doing so I was informed by email of a guy pulling on gates and fences trying to gain access and was made aware to keep a eye out for this individual and was also given a picture of the guy. At this time nothing to report an no sign of the guy but will kept a eye out for him while patrolling.

9:00pm to 10:00pm: In this hour, I started patrolling all streets and alleyways an notice a black convertible mustang parked in front of 1537 Ocean blvd and at that time it was raining very hard and informed the residents that there top was down on there car and didn't want the rain to damage it and they appreciated me for informing them and thanking me. I then continued my patrol.

10:00pm to 11:00pm: In this hour, the rain is still coming down pretty hard I make my way down to the beach to start closing it down and notice 4 teenagers walking along the beach and let them know that the beach is now closed and they proceeded to leave. I then make my way down to the pier to secure and closed it down and it was unoccupied and empty. No other issues to report

11:00pm to 12:00am: In this hour, I continued to patrol making my way towards L Street park and M street park to secure and make sure they are unoccupied as so they were no one in sight and both parks are clear, I then continue my patrol and notice a grey Nissan Altima in front of 1730 Plaza Del Norte with their windows down and gas cap sticking out with towels over the back window to keep rain from coming in to my understanding I then proceed to notify resident but no answer I then continue to patrol and notice police presence in front of the county club an they stopped me and let me know that they had detained a man sitting in his white Chevy Silverado an wanted to know if I knew him are seen him before an I just let them know as I been doing my patrol I did notice him sitting inside of his truck for bout the last pass hour. I then continued to make my way towards jetty park and it was unoccupied and empty.

12:00am to 1:00am: In this hour, I took my hour Lunch and started on my report

1:00am to 2:00am: In this hour, I continued to patrol all areas of the community and came across Two guys exiting a grey Hyundai Elantra with fishing poles and I stopped and ask were they heading to the pier for some fishing and they said yeah why is it closed and I politely said yes pier closes at 10pm and they respectfully understand and proceeded to leave.

2:00am: In this hour, I continued to patrol all areas of the community and came across 8 Teenagers sitting At Jetty Park on the benches as I started to approach them they acknowledge me and started to head to their cars and leave. No other issues to report.

3:00am: In this hour, I continued to patrol all areas of the community everything was clear and code 4.

4:00am: S/o Walter Jenkins is off duty an everything is secured and Code 4.
