**Contacts**

6/6/2015

1950: Small party going on at park on Sawville. Roughly 20-30 people. Approached party on foot, told by resident that gathering was for a graduation party, and that they plan to finish before 9p,  
2005: Officer notices Green Honda CRV (lic. 4BJV182) remains in same location as noticed yesterday (06/05). Car shows excess bird and tree droppings which leads officer to believe that the vehicle has remained in the same location (in front of 2023 E Ocean Blvd) for some time. Officer will continue to monitor and log this vehicle in future site reports.  
2117: Officer notices light post at the corner of Miramar and L St is also out/flickering  
2141: Officer noticed lightpost out/flickering at the south east corner of M St. and Ocean  
2237: Parked vehicle and did a foot patrol from W Jetty View park to the end of the jetty. Found 4 teenagers (ages 15-17) loitering on lifeguard tower. Persons complied when asked to leave.  
0046: Returned to W Jetty View park. Observed white honda civic parked on walkway. Driver moved vehicle and left upon my approach. No plates ( new vehicles)  
0051: Approached a grouple of people sitting at the end of jetty, and asked them to leave, no issues  
0126: Party going on at 330 L st. Level is low, officer asked those outside to pleas move inside. Persons complied  
0201: Observed older male fishing off private dock. Person claims he is allwed to fish at this location, officer direcs him to observe posted signage

#### Contacts

6/7/2015

1939: Officer observed several cats around the L st. Park area. 2 black, 1 orange, none of them have ID collars  
2204: Officer notices excess trash on the curb of residents 1010E Balboa Blvd. 2 overflowing cans and several boxes surplus  
2225: Officer observed a group of approx 8 males fishing and smoking on the closed public dock on E, Balboa ave. Officer called in 10-6 at this location to dispatch and approached te group. Officer informed the group that the dock closes at 10 pm, and they need to leave. Trespassing party complied  
2301: Group of 4 males fishing off of the rocks at W. Jetty View Park. Officer recognizes these persons from last night's (06/06) patrol of the same spot. Officer informed the party that the park closes at 10 pm every night and they left.  
2321: officer observed a young female (~18-21) lying on a blanket on the sany walkway between W Jetty View park and the greater length of the jetty. Officer approached the person cautiously and announced his presence. When informed of the park's hours, person calmly left the area. Person appeared and acted uninhibited  
2337: Officer noticed pole/spread of garbage in front of the residence at 2164 Ocean Blvd. Officer picked up and discarded 17 empty beer cans and fastfood trash  
0108: Officer observed that the digit "5" displayed no the wall of residence 1805 E Balboa is hanging upside down  
0142: Officer made contact with 3 males attempting to enter the W. Jetty View park. Persons resisted officer's suggestion to leave until officer threatened oto call Newport PD. Persons left the park area.  
0156: Officer made contact with 3 persons (2 male and 1 female) attempting to access the beach via the W. Jetty View park. Office rinformd persons that both the park and public beach close at 10pm, persons complied with rules and left  
0223: Officer oserved that vehicle (lic. 4BJV182) parked in front of residence 2023 Ocean Blvd. has not moved from last patrol (06/06/15) Vehicle is covered in bird and tree droppings, suggested long term parking. Officer will continue to monitor

#### Contacts

6/8/2015

1952: Officer observed that the green, which had previously been parked in front of the residence located at 2023 Ocean Blvd. has been relocated to the direct opposite side of Ocean Blvd.  
2015: Officer was approached by residents of 2114 E. Balboa Blvd. Residents introduced themselves to the officer and voiced about their concern about the security of the private beach across the street from their property. Residents report seeing "homeless" persons sleeping on the private beach. Officer will perform foot patrol to ensure security.  
2136: During vehicle patrol, officer observes the residence at 2126 Oceanfront has left their garage door open with the light off. Officer will routinely patrol this specific alleyway  
2215: Officer patrolled West Jetty View park on foot, clearing the area for closed hours  
2248: Officer engaged 2 people attempting to enter the park. Both males were carrying fishing equipment. Officer informed them that the park is closed for 2200-0600 and the individuals left.  
2309: Officer encountered 1 male fishing off the (closed) public doc on E Balboa Blvd. Persons claimed to be unaware of dock's hours despite signage. Complied with directions to leave  
0114: Officer notices several opossums around construction site at E Balboa Blvd.  
0223: Officer engages 3 males at L St. Park. Officer informers persons that the park is closed. Persons claim they can be in the park because they are residents but cannon provide address. Officer tells the group that they must leave or officer will notify PD. Persons complied

**5/25/2015 thru 9/7/2015**

---

6/11/2015 2002: Officer notices gate left open in the alley behind the residence at 413 Seville  
2132: Officer engaged a white male (age 18-21) who had been sitting in a white Dodge Challenger at the corner of Mst and Ocean Blvd for over an hour. Officer pulled up beside this person in patrol cruiser and asked him if he was waiting for someone. The person replied that he was on the phone and had pulled over to avoid earning a moving violation. Officer believes this explanation to be the truth but will regularly revisit this location in the next hour.  
2217: Officer performed a foot patrol of the W. Jetty view park. During this sweep, officer encountered several persons. Officer informed each person and groups that the park is closed, they all complied  
2343: Officer noticed 3 adult makes on bicycles at W. Jetty View Park. Officer exited vehicle and all 3 males left the park. Officer will patrol park with special attention paid to suspicious activity  
2314: Officer engaged 2 adult males at the public dock. Officer informed them that the dock closes at 10pm  
0002: Officer encountered 4 persons, 2 male and 1 female at the public dock fishing and drinking. Officer informed these persons that the dock was closed and they would have to leave. Officer also asked who would be driving, one male stated that he had not been drinking and would be able to drive. The group packed up and departed  
0226: 2 males denied access to park. Officer informed them that the park is closed at this time and will reopen at 6am.

**Contacts**

---

6/12/2015 2012: Officer observed a 4x4 sticker placed over No parking sign posted on lightpost located on the SE corner or Ocean Blvd and L St.  
2107: Officer observes that the residence located at 1740 E Oceanfront has left their garage door open with no lights on  
2213: Officer performed foot patrol of the M st. Public Dock and asked remaining persons fishing to leave. All complied  
2215: Officer swept the WJV park, asking several parties to vacated the area. All complied  
2340: Engaged 2 persons attempting to enter the WJV park to fish. Officer informed them that park was closed  
2354: Observed persons standing on the lifeguard tower from the end of East Balboa blvd. Officer heard loud noises and got closer. 2 males and 1 female present. Complied when asked to leave  
036: Observed that the "5" displayed at the address 1805 E. Balboa ave is hanigng upside down  
0130: Engaged a couple at WJV park that the park is closed. Complied when asked to leave

**Contacts**

---

6/13/2015 2145: Officer observes that light psot #0098 is out  
2215: Office rpeformed a foot patrol of WJ Park and asked mulitple parties to leave in compliance with the parks 10PM closing time  
2220: Officer performed a foot patrol of the public dock and beach. Both areas closed at this time, asking a pair of persons fishing to leave  
2237: Officer observed several moving light sources near the end of the jetty. Officer exited the vehicle and walked to the location where roughly 12 persons (3 adults and 8-10 kids) were fishing and playing music. Officer informed the adults that they would need to leave. Officer also informed the adults that this location is not safe for children or adults at any hour of the day. The party was confused and irritated at the officer's request to leave but complied after they were shown the hour posted  
2304: Officer returned to WJ park to ask several groups to leave. Management should consider more visible or noticable signs for the WJV park. This officer spends the majority of the shift intercepting and removing people from the WJV park. Citing each of these insidents in the officer's report would be redundant.  
0045: Officer performed a foot patrol of the public dock, observing a group of 3 males fishing. The officer requested that the group leave, group was complaint  
0128: Officer observed 5 cars entering the property. Officer followed the group from a distance and eventually maknig contact as the group parked and exited their vehicles. Officer informed the group of ~15 males that the park is closed. The officer parked patrol cruiser at the WJ Park until the group left. Officer followed until group left the property  
0144: Officer intercepted 2 persons attempting to enter the WJ park. Officer informed them that the park is closed and to return between 6am-10pm

## Activity Report

### 4326 Balboa Peninsula Point Association

#### 5/25/2015 thru 9/7/2015

6/14/2015

2001: Officer observes that the ~4" x4" sticker is still placed in the middle of the "No Parking" sign at Ocean and L St  
2132: Officer observes a group of ~5 males loudly using obscene language at the WJ Park. Officer parked vehicle, exited, and approached the group. Upon nearing the group, officer observed that they were also drinking beer. The officer asked the group to be more mindful of their languages and to either throw their drinks away or leave the park. The group was confused so officer had to explain the Open Container laws. Not wanting any confrontation with Newport PD, the group left.  
2218: Officer performed a foot patrol of the M ST public Dock. Officer observed a small group of 3-4 people fishing off the dock. Officer informed the group that the dock is closed at this time, and that they would need to return tomorrow if they would like to continue fishing  
2325: Officer performed a second complete foot patrol from W.J Park to the lifeguard tower, encountering and engaging ~individual group along the way. Each group was informed that the park and beach both close at 2200 every night  
0011: Officer observes that the residence that 1621 E. Balboa Ave has left their garage open in the alley behind the residence  
0127: Officer observes a car parked on red curb at WJ Park. Officer approached the vehicle making contact with 3 males. Officer informed the group that the park is closed at this time. They complied  
0151: Officer intercepted a pair of 2 adults attempted to access the public dock. Officer informed the couple that the dock is closed

#### Contacts

6/15/2015

2045 Officer observes a large dog off leash heading south on channel road. Officer then proceeded past the dog to look for a potential owner. Seeing no one, officer turned around to follow animal. Dog was stopped by non resident at the park. They called the number on the dog collar. The dog lives at 2020E balboa Blvd. and they had accidentally left the door open.

2132 officer observes several possums on the property. Mostly around the properties under construction.

2215 Officer performed a foot patrol of the park for closing hours. Asked several groups to leave. No issues.

2311 Officer observed one male on the public clock after hours. Officer asked man to leave. He claimed the time is only applicable to fisherman. Officer reviewed posted signs and found that is true. This person is a resident of the associate and lived at 1711 Plaza del Sur.

0004 Officer performed a second complete foot patrol of the park. Officer observed more than a few persons loitering in the area.

0127 Officer intercepted several groups attempting to enter the park. All persons officer encountered informed of the park hours.

**5/25/2015 thru 9/7/2015**

---

6/18/2015 1947 Officer observes several opossums around construction site. 2145 light post at E Balboa and I street is flickering.

2217 Officer patrolled the W.J.park removing several groups for closed hours.

2310 Officer observed several cats around the L st park area. Officer exited vehicle to check tags for ownership/phone/contact information but animals fled upon officers approach.

2431 Officer returned to W.J. park location after finishing rounds. Of the neighborhood. Noticed motion on the lifeguard stand. Officer discovered one male and one female listening to music an talking loudly. Officer informed couple that the beach is closed at this time and that they would need to leave.

0142 while parked in font of the park officer observed a vehicle approaching the area at high rate of speed. The vehicle turned around after noticing officers presence at the park. Officer will look for vehicle in future.

0205 Officer intercepted a group of three males attempting to enter the park.

**Contacts**

---

6/19/2015 1953: Officer observed several (3) vehicles parked at the dead end of Channel Road (AKA the Wedge). Parking enforcement is NOT in the post orders for this location, but these vehicles were causing dangerous traffic conditions by parking and waiting in this location. Officer advanced to the end of the road and began reversing along the west side curb of Channel Road. While officer was reversing, the vehicle behind the officer became impatient and attempted to make a 3 point turn before the officer could park. The vehicle backed into the officer's bumper. Officer found insurance and registration for the patrol car (#461) and exchanged information with the other drive. The other driver was not injured and the officer was not injured. The driver told the officer that she was attempting to turn around quickly. No damage to patrol unit, slight dent to other vehicle's right rear bumper. No damage to property and no injuries. Photos of damage sent to service.  
Vehicle info: silver Hyundai Sonata lic. 6SMW995

2017: Officer observes that the light post at E Balboa Blvd is out/flickering

2219: Foot patrol of public dock near M St. Observed 2 adults fishing. Informed them that the dock is closed. They left

2221: Foot patrol around WJ park removing lingering groups and pieces of trash

2227: Intercepted a group of 5 males attempting to enter the WJ park with fishing equipment

2229: Intercepted 2 adults attempting to enter the park

2230-0112: Intercepted people trying to enter the park

0049: Observed large and loud fireworks being across the bay from WJ park.. Reported the noise to dispatch

**Contacts**

---

6/20/2015 1941: Officer observes a notably higher concentration of littered trash on E. Ocean Blvd. This particular street seems to usually be the most littered upon. The officer belives this is because of the proximity to WJ Park and beach access. The officer stopped to remove several larger bags.

2114: Officer observes that is still a sticker placed over the sign at the corner of

2217: Officer exited vehicle for a foot patrol of the Public Dock near M St. Officer observed 3 persons fishing after hours. Officer asked these people to leave and all completed.

2218: Officer exited vehicle for a foot patrol of the WJ park. Officer came across many groups and individuals. Officer informed them of the hours and asked them to leave

2220: Intercepted 2 seprate groups attempting to enter the WJ park

2306: Officer noted many people in and around WJ Park. Officer exited vehicle and made a second full-sweep of this location

2331: Officer returned to the WJ Park and observed a large group near the furthers bench. Officer removed the trespassing party

0010: Removed 2 males fishing from closed public dock

0015: Removed trespassing persons from the park and 4 females spotted on lifeguard tower

0128: Intercepted 2 males attempting to enter the WJ park

2038: Officer was approached by a resident of E Ocean who was concerned for the littering issue and the security of the beach.. This resident related his observations to the officer expressing his feelings that Tues and Wed have been disruptive. Officer provided the resident with Nordic Security dispatch number and told him to call anytime

2217: Officer performed a foot patrol at the public dock, remove a group of 5 males fishing and a resident (Jerry of 1711 Plaza del Sur) smoking on the closed private beach. Resident complied but relocated to the dock, where he said he could be. This is contradictive to the post orders and dispatch was called. No further action was taken

2220: Foot patrol of the WJ Park. Each party present after hours was informed of the open hours

0015: Second foot patrol of WJ park. Officer observed several glass bottles left on the rocks. The bottles were collected and disposed of

0109: A group of 4 families were intercepted while attempting to access the beach from G street

**Contacts**

## Activity Report

### 4326 Balboa Peninsula Point Association

#### 5/25/2015 thru 9/7/2015

---

6/26/2015 2035: Officer observes that at the residents of 2301 Channel the guest room television has been on for the duration of the officer's past 2 shifts. The officer has observed that the television on the top floor of this residence has never been off during the duration of the officer's employment at the property. However, the guest room television is not typically on

2102: Foot patrol at WJ Park. The park is not yet closed but the officer exited the vehicle and observed the area regardless. Nothing remarkable found, but all parties present were asked to respect the area and pick up after themselves

2230: Foot patrol of public dock. Officer removed ~10 males all complied.

2232: Foot patrol of the WJ park. Removed a group of 3 females from the lifeguard tower

2314: Foot patrol of public dock. Removed a group of 2 males and 1 female fishing

2350: Officer observed a van parked in the alley behind M Street. Officer approached and observed a female on the group. Officer asked if she was alright. The driver said that she was an Uber driver and he had driven the female and another male home and that they were both very drunk. This became obvious as the two could not walk more than 3 paces without collapsing. The female was incoherent and the male refused the officer's help. The driver and officer continued to observe the two ended up in the house. They did not. The officer used the low beam setting on the flashlight observed the couple as they attempted to shimmy past their trashcans on the side of the residence. Immediately after exiting the side area, they collapsed on their neighbors' yard. Seeing this, the officer drove to the front of the residence and assisted them to their door. The officer waited at the curb until they were let into the residence at 409 M St.

0010: Foot patrol at WJ park. Removed 4 females from rocks

0122: Foot patrol at public dock. Officer removed 2 males fishing

**Contacts**

---

6/27/2015 2015: Officer observes that the guest room television is still turned on at 2301 Channel Road (see report 06/26/2015 for more detailed explanation)

2132: Foot patrol at Public Dock. Officer observed that the dock was very crowded at this time, ~20 people, so the officer informed these groups that the dock would be closing within an hour, and asked them to respect the area and clean up after themselves

2214: Foot patrol at WJ Park. Officer removed several groups for closing hours. All complied

2218: Foot patrol at public dock. Officer asked several groups to vacate the area in compliance with dock's closing hours

2245: Officer returned to WJ park and observed a box of beer set in the middle of the end of Channel Road. Officer disposed of this large litter and was approached by 2 males on their way out of the park that informed the officer they watched a white Nissan sedan drop this trash less than 1 minute ago and drive down Ocean. Officer drove down ocean immediately but failed to find a vehicle matching this description

0011: Intercepted a group of ~9 teenagers attempting to enter the WJ Park

0145: Foot patrol at WJ Park. Officer observed several groups at the benches, as well as on the rocks. These groups were asked to leave in compliance with the park's hours

**Contacts**

---

6/28/2015 1956: Officer observes that a white service van has been parked in the only available spot in front of channel road for 3+ days/nights

2219: Foot patrol at public dock Officer removed all persons fishing after hours

2324: Officer observed the residents at 1541 Ocean have left their garage door open. Officer reported this finding to Nordic dispatch, knocked on resident's door, and informed them. Residents thanked the officer and closed the door

2325: Foot patrol at WJ Park removed 3 males fishing off rocks

0011: 6 males intercepted while attempting to enter WJ Park

0015: Officer intercepted 8-10 teenagers attempting to access the beach from WJ Park. They carried with them beach balls, various bags, and a box of beer. The group was very disgruntled when the officer denied them access, so the officer followed the vehicle from a distance. The group parked at the L st beach access point and walked out. The officer walked out and asked them to leave. They refused to leave stating they were residents but could not provide an address. Officer called their refusal in to dispatch and returned to patrol vehicle. 1 minute following the report, the group left the property

## Activity Report

### 4326 Balboa Peninsula Point Association 5/25/2015 thru 9/7/2015

7/10/2015

2221: Foot patrol at WJ park. Officer removed 3 juvenile males fishing off the rocks and 2 females sitting at the table for closing hours  
2223: Foot patrol at public dock. Officer removed group of 5 males fishing and playing music loudly  
2317: Officer made contact with a group of 5 persons (2 males, 3 female) playing soccer and shouting loudly around the L St park area. 1 female claimed to be a resident of the Peninsula but refused to provide the officer with her address. Officer told the group that they are being too loud, and would need to go home or leave the property. They left the area  
0019: Officer observes that the displayed 5 at 1805 E Balboa Blvd is hanging upside down. Officer also observed that the streetlight directly in front of this residence is flickering  
0142: Officer intercepted a group of 3 males with fishing equipment attempting to enter the public dock  
0215: Intercepted a group of 2 females and 2 males (some very intoxicated) from entering the WJ park

#### Contacts

7/11/2015

2241: Foot patrol at Public Dock. Officer found no parties fishing after hours - a first. Officer suspects that the doors vacant status will change very shortly, so the area will be monitored more regularly to keep the location secure.  
2250: Officer observed a very crowded WJ Park. Officer made contact with 5 separate groups, informed each of the park's hours. Officer received mild resistance from 2 separate fishing groups, but ultimately each group left property with compliance with officer's request.  
2318: Officer returned to WJP to find one group from the previous entry had returned to the area after hours. Officer exited the vehicle and made contact. Nobody present was a resident of the peninsula. Officer advised the group that they are now trespassing and must leave or Newport PD will be called. Officer followed the party fully off the property  
0006: Intercepted 2 males attempting to enter the WJ Park  
0017: Observed a group of 3 fishing off the rocks at WJ Park. Officer made contact and asked them to leave property  
0115: Officer observed 3 males sitting and smoking in the WJ Park. Officer made contact, smelled marijuana. Officer escorted the group of the of the park and off the property  
0222: Officer made a foot patrol at public dock. No persons found fishing but packaging and several water bottles found at end of the dock. Officer removed this waste

#### Contacts

7/12/2015

2137: Officer observes that the lightposts at E Balboa & I st. as well as E Balboa and M St are flickering/inactive  
2149: Officer observed 8+ beer cans littered at the WJ park. Officer collected this refuse and disposed of it in the recycle bin.  
2236: Foot patrol at WJ Park. Officer asked the remaining parties to leave the areas  
2239: Foot patrol at public dock. Officer observed 1 male and 1 female fishing. Officer informed them that the dock is closed. They left the area  
0011: Officer observed a vehicle parked on the curb in front of the public dock. Officer exited vehicle and walked the dock, finding 1 male at the end and fishing. Officer told this person that the dock is closed and that was no way to park. After a brief verbal combative bout, the individual left the area and shortly the property  
0141: Foot patrol at WJ Park. Officer observed a group of 4 females on the lifeguard tower. Officer escorted the group off the closed area. Officer intercepted 6 persons attempting to enter the closed beach via the WJ Park

#### Contacts

7/13/2015

1957: Officer observes that the area under construction has extended canvas fencing into half of the alleyway, causing a potential traffic hazard  
2049: Officer observed and then removed several littered plastic bottles from the WJ Park  
2239: Officer observed a pole of fast food trash left near the 6th street beach access point. Officer disposed of this litter into the trash can. No more than 10 feet from where it was left.  
2241: Foot patrol at WJ Park. Officer asked those still present to leave the park in compliance with posted rules  
2253: Foot patrol at public dock. No fishing taking place, but the usual trash from the day's visitors. Officer disposed of the litter in appropriate bins.  
2347: Officer observed a beach cruiser locked up at the end of the public dock  
0028: Foot patrol at WJ Park. Officer removed a group of 3 females talking loudly at the benches  
0149: Officer intercepted a group of fishermen attempting to enter the public dock

## Activity Report

### 4326 Balboa Peninsula Point Association 5/25/2015 thru 9/7/2015

7/22/2015

7pm--arrived on property

815pm--noticed a car full of teenagers headed to the wedge. I checked on them every 30 minutes until they left about 10pm

1230am- NBPD called dispatch and wanted me to check for a red volvo as it was involved in a hit and run. I searched for about 1 hour and did not locate the car.

2am--dispatch said the NBPD located the car outside of BBPA

**Contacts**

7/23/2015

2009: Officer observes 2 large boxes filled with refused placed next to the trash cans at the M street beach access. (E Ocean Front and M Street)

2309: Foot patrols at WJ Park and public dock. Officer removed all guest remaining after hours

0011: Officer intercepted 3 females attempting to access the beach via the G street access point

0137: Officer intercepted 2 males entering the WJ Park

0149: Food patrol at public dock. Officer removed 2 males fishing after closing hour

0231: Officer observed a vehicle traveling at a high rate of speed, playing loud music down E Balbla Blvd. Officer followed the vehicle and flashed high beams to signal the driver. Officer pulled up next to the stopped vehicle and asked the non-resident to leave property. All public areas are closed at this time and the driver of the vehicle (female, no name given) started that she and her friends wanted to sit at the park. Officer informed them that the park is closed and followed the vehicle off property to ensure a safe exit

**Contacts**

7/24/2015

2014: Officer observed several trashcans put out on Seville, trash day is not until Sunday.

2239: Foot patrol at public dock. Officer removed 5+ persons fishing party and remained until the group had collected all of their trash

2247: Foot patrol at WJ park. Officer removed a group of 3 juvenile males fishing off of the rocks, as well as lingering picnic/party being loud at the park's tables.

2328: Officer observed that there is still a pair of very loud birds near the area of E Balboa and E St.

0049: Foot patrol at Public dock/beach area. Nothing remarkable found. Resident Jerry around with his dog.

0114: Officer intercepted a large group of ~7-10 teenagers attempting to enter the beach via E Ocean Front and M st. Officer informed the group that the beach is closed. The group left property in compliance with the officers information

**Contacts**

7/25/2015

2034: Officer approached by residents concerning a dog sounding distressed since ~1200. Residents of neighboring property knocked and were not answered. They informed the officer that they left a note on the door of 1631 Mirmar Dr and asked the officer to monitor the residents for occupation, as well as include the incident here for management.

2342: Foot patrols at Public Dock and WJ Park. Officer removed those present after hours

0037: Officer observed a group of males smoking at G St. Beach access point. The group left upon officer's approach

0149: Officer intercepted a group of 4 females attempting to enter the WJ park

## Activity Report

### 4326 Balboa Peninsula Point Association

### 5/25/2015 thru 9/7/2015

---

8/10/2015 1900 Began patrol of the property. Drove streets and alleys. Nothing suspicious to report. All clear.

2000 Started patrol again. Next patrol I will switch directions so its not clear to anyone when we might go by. Stopped by the fishing dock .

2100 Reversed patrol. Still nothing suspicious.

2200 Cleared the park of people. Only three or four cleared the fishing dock of four people. All people were being very good about leaving. Went back to patrolling.

2300 Patrolled the neighbourhood up and down the streets had more fisherman , asked to leave and they did.

2400 had a small aluminium board that engine failed. They paddles over to the rock and proceeded to hand carry the boat up the rock on to a trailer. I told them to stop being so loud as people are trying to sleep. I asked them to remove the right away and they did.

0100 Stopped four fisherman from going down to the dock. Resumed patrol. All clear.

0200 Still patrolled the streets. Alleys all clear.

**Contacts**

---

8/13/2015 1900 Arrived on property. Began patrolling the streets and alleys. Looked at docks.

2000 Patrolled neighbourhoods. All clear.

2100 All clear.

2200 Cleared out the park and fishing Dock. Patrolled streets.

2300 Checked streets, park and fishing dock. All clear.

0000 All clear.

0100 Patrolled neighbourhoods.

0220 patrolled park and fishing pier. Patrolled streets.

**Contacts**

---

8/14/2015 1900 Began patrolling the community streets and alleys.

2100 Saw fish and game officer in front of the fishing dock pier. I parked checking with him as to what he was doing. He said he was giving fishing licence tickets to four young men. I shinned head lights on the rear of his truck so he could see. He gate out tickets to everyone and went on their way.

2200 Checked fishing dock. All clear. Checked park and had to ask six people to leave. They did.

2300 Patrolled streets and alleys. Checked park and asked four people to leave. They did. Checked fishing dock. All clear.

2400 Patrolled the community. All clear.

0100 Patrolled parks and fishing dock. Patrolled the community. All clear.

0200 Doing last patrol of the park and fishing dock. Final patrol of streets. Alleys all clear.

0300 Shift over.

8/23/2015 1900 Began patrolling the community streets and alleys.  
2000 Patrolled streets.  
2100 While on patrol a few of the residence stopped me and said there were four 12-13 year olds were knocking on the door then running away. The residents had detained two of the boys. I talked to the two boys. Asked where they lived. They said in LI Do then wen ton to say they were just visiting. I told them to go to the boys house. They were visiting and to tell the other boys if they go out and do this again I will call the police on them. They were very sorry and there was no more trouble.

2200 Closed the park and fishing dock. All clear. Patrolled streets and alleys.

2300 Removed more people from the park and dock. All clear.

2400 Removed more people.

0100 Park and fishing dock all clear.

**Field Observations Summary**

<b>Date</b>	<b>Time</b>	<b>Problem/Observation</b>
6/25/2015	22:53	Field Patrol  While patrolling the property the officer encountered 1 white male mid-late 50s wearing a zip up hoodie and glasses with a dog at the public dock. Officer advised the male that the dock closes at 10pm to which the male responded that he was not going to leave and it was not the officers job to kick him out as he was not fishing. Officer stated that he has encountered this person before and had the same issue, subject stated in a previous conversation with the officer that he is a resident of 171 Plaza Del Sur. Officer also stated that the subject was smoking what smelled like marijuana.
6/28/2015	23:18	Field Patrol  Officer was approached by Jeff, board member, and was asked to knock on the door of any residence that has an open garage door.
6/28/2015	23:27	Resident Contact  Officer observed a garage door left open at 1541 Ocean Front. Officer knocked on the door and spoke to the resident advising them that they left their garage door open, resident closed the garage door.
7/31/2015	0:54	Field Patrol  Officer conducted high visibility through the entire night. There were no problems, complaints, transients, drunks from the local bars, illegal activities or persons loitering in the area. While walking back and forth to the public dock and beach front on Channel road. One of the residents the name Jim at 2133 Channel who lives right in front of the public dock. Thanked the officer for his services for keeping the community safe.  LT28 Tamara.
8/10/2015	22:25	Field Patrol  at this time all non residents have been cleared from the park area and the dock.
