At 12:40am I asked a guy to leave park. At 12:50am I made sure the top lock at the clubhouse was still unlocked. It was. No other issues to report.

I watched very closely to see if they were tagging or had any paint cans. They did not. All 5 people left without incident. No other issues to report.

PATROL REPORT

February 6, 2021 (Balboa Peninsula Point Patrol Assignment)

Shift: 7pm to 3am

S/o Sonny Baca on duty

7:00pm to 8:00pm: In the first hour of the night, I began my shift by patrolling all the streets and alleyways. I turned on the front porch light on at the Clubhouse and kept the top lock "unlocked". I waved and talked with seven residents. Some were walking their dogs. I noticed a garage door open on Ocean Blvd, Miramar and Granada. I made a note of it for later in the evening. As I was leaving, at the Granada garage a man named Jim came out and said I will call Richard who lives at this house. Richard came out and thanked myself and neighbor Jim for letting him know about the garage. No other issues to report.

8:00pm to 8:30pm: I continued to patrol all areas of the community. Saying hello to a couple walking. At 8:25pm I was driving at the beginning of Miramar near E. Balboa when a man flagged me down to tell me a gray car is on with no one inside it on E. Balboa. I drove up to the vehicle and parked and walked up to the vehicle. Sure enough it was on. However, someone was inside. A male Hispanic in his 20's. The weird thing is as soon as I flashed my flashlight on him he took off down Balboa. So I got in my patrol car and followed him to Balboa Pier and took down his license plate Gray Mercedes 7NUR510. For future reference. I came back and patrolled and secured the Clubhouse with no problems inside. Except for the top lock being locked now. So someone came back and locked the top lock between 7pm and 8:45pm. No other issues to report.

9:00pm to 10:00pm: In this hour. I patrolled all the streets and alleyways. The garage was closed now on Ocean Blvd. But, I had to knock on the door at 1511 Miramar to let him know his garage was open. He thanked me. While patrolling on Miramar and M St. They were having a Birthday Party for Lily the daughter of the Owners. They asked me if I wanted a piece of cake. I kindly refused and said thank you anyway. Super nice people. They always wave to me and say hello. At 9:50pm I pull up to Pier. No other issues to report.

10:00pm to 11:00pm: In this hour, I closed the pier and told two girls NOT FISHING that the pier and the beach are now closed. First weekend no fisherman on the pier fishing. I walked up to the beach to close it down and the police were on beach inside their vehicle to close the beach as well. We talked for a bit before they starting driving and I walked the beach to make sure all 31 people left the beach. I stayed at the jetty for a bit and did a quick two street patrol.

At 10:45pm I came back to Jetty Park and there were 10 people at the park. I let them know park was closing in 15min. They all left on time without incident. No other issues to report.

11:00pm to 12:00am: In this hour, I continued to patrol all the streets and alleyways. At 11:35pm at 1708 E. bay to be exact. They must have rival Tipi' ers and every so often this house is Ti pied. However, seems to be getting a little ugly. Bad words are being spelled out on the ground. See pictures. Driving back around the near the Jetty park 4 people wanted to sit at the park. I told them it was closed. They left without incident. At 11:45pm, I said hello to a resident walking his dog along Ocean Blvd. No other issues to report.

At 12:45pm I made sure the top lock was still unlocked. It was. No other issues to report.

1:00am In this hour, I continued to patrol all areas of the community. At 1:05am a new house is under construction on the corner of E. Bay and H. Well the fence fell down in alleyway. I picked it up and leaned it so it would not fall again. When I came back to the jetty park, two guys were about to get out and walk the park and beach. I stopped them. No other issues to report.

2:00am: In this hour, I continued to patrol all streets and alleyways and kept my eyes on the beach entrances as I was making the rounds. As I was driving at 2:25am West on Ocean Blvd. A older Green Toyota Tacoma truck was driving same direction on E. Ocean Front. I thought that is a little strange. In my head they were Scouting out construction sites to vandal. So I followed them out of Balboa Peninsula Point and got there license plate 8S28586. If anything is missing from construction sites that you hear about. Might be a good place start to check. I continued my patrol. No other issues to report.
