## PATROL REPORT

10-6-2022 (Balboa Peninsula Point Patrol Assignment)

Shift: 6pm to 2am

Sean Toomay on duty

6:00-7:00..

Patrolled into the property at A street B,C,D,E,F,G to Ocean front alley back to Channel and jetty park then up to the clubhouse and fishing pier. I then patrolled over to E Bay alley and back to Channel and Seville and Granada Avenues. Then back to Jetty park ..

7:00-8:00.....

I patrolled alleys and streets on the east side of the neighborhood and the west side alleys and streets on the west side. I'm starting all alleys on the point for garage door openings. I then Patrolled the entire perimeter and interior. All is well Code 4.....

8:00-9:00.....

At 2166 Ocean front, The very corner house, they have finished the side yard. Unfortunately there is no wall or fence. It is a point of interest moving forward to keep an eye on the area being in a popular spot on the beach next to Jetty park and the wedge.. I then continued to Patrol up to Balboa blvd across to E Bay alley and back to the fishing pier and the clubhouse....

9:00-10:00.....

I patrolled back to Miramar and Miramar alley and L street and L park and I street and I alley. Then across to Channel and jetty park then across Ocean blvd to Ocean front alley back to Channel.

Then I Patrolled the alleys on the east side of the neighborhood. I then went up to close the fishing pier....

10:00-11:00.....

I have a garage door open at 2037 Ocean blvd. I have gone to the front door, there is no answer. I will continue to monitor the situation.

The garage door has been closed. Now we have a black out on the entire peninsula point. There are workmen stationed on Balboa blvd near A street. And on Channel near Granada. I spoke to one of them. They said the black out is until 4:00 am. I have closed Jetty park and I'm Patrolling the perimeter and interior as well as alleys. Everything appears ok for now..

11:00-12:00

Continuing my patrol of the neighborhood. circling the neighborhood countless times, interior and the perimeter. Everything is Code 4. I'm Patrolling Balboa blvd to G street then Ocean blvd to Channel and jetty park, then up to Balboa blvd and the clubhouse and fishing pier.....

12:00-12:30 quick cup of coffee break..back

12:30-1:00....

Came back to the neighborhood at A street B,C,D,E,F,G to Ocean blvd across to Channel and jetty park. A full perimeter patrol and interior patrol of the neighborhood. Code 4. still very dark on the point....

1:00-2:00.....

I continued my patrol across Balboa blvd to G street then Ocean front alley back to Channel and jetty park. Then Ocean blvd to G street then up to E Bay alley and back to the fishing pier and the clubhouse. Then down to jetty park. Then interior alleys throughout the neighborhood. Then one more perimeter patrol of the neighborhood. Ending up across Ocean blvd to G street and Balboa blvd off property.....

## **PATROL REPORT**

September 18, 2022 (Balboa Peninsula Point Patrol Assignment)

Shift: 7pm to 3am

S/o Walter Jenkins on duty

**7:00pm to 8:00pm:** I began my shift from A St to Balboa Blvd and also Ocean Blvd all the way down to Jetty Park and everything is code 4 nothing to report at this time.

**8:00pm to 9:00pm:** In this hour, I patrolled all the streets and alleyways and traffic around Jetty View Park is at a minimum. Everything is code 4 and nothing to report at this time. I then proceeded to make my way over to the clubhouse to turn on porch light and secure clubhouse.

**9:00pm to 10:00pm:** In this hour, I patrolled all areas of the community and everything is code 4 and traffic around Jetty View Park is dying down. I then continued my patrol.

**10:00pm to 11:00pm:** In this hour, I started to walk the beach and notice 4 people sitting in the sand so I informed them of the beach closure and they understood and eventually proceeded to leave. I then proceeded to head over to the pier and upon arrival there were 6 people fishing on pier and 3 people at kids beach so I informed them of closure at 10pm and they cleared out and left. I then continued my patrol.

**11:00pm to 12:00am:** In this hour, I started to make my way around Balboa Peninsula to make sure all parks are secured and unoccupied which Miramar Park and L Street Park and M Street Park were. I then proceeded to make my way towards Jetty View Park and upon arrival there was 5 people sitting on benches so I kindly informed them that the park closes at 11pm and so they understood and proceeded to leave the park.

**12:00am to 1:00am:** In this hour, I took my lunch and started on my report.

**1:00am to 2:00am:** In this hour, I then proceeded to head towards A St. to M St. checking for any activity on the side streets leading to beach area and everything is clear and code 4 at this time. As I continued my patrol I noticed a left opened garage at 2108 Ocean Front so I took a picture and continued my patrol.

**2:00am to 3:00am:** In this hour, I continued patrolling all areas of the community everything is code 4 and clear and there is no traffic around Jetty Park as well as beach area and pier. S/o Walter Jenkins now off duty.

## **PATROL REPORT**

August 28, 2022 (Balboa Peninsula Point Patrol Assignment)

Shift: 7pm to 3am

S/o Walter Jenkins on duty

**7:00pm to 8:00pm:** I began my shift from A St to Balboa Blvd and also Ocean Blvd all the way down to Jetty Park and everything is code 4 nothing to report at this time.

**8:00pm to 9:00pm:** In this hour, I patrolled all the streets and alleyways and noticed there is a lot of traffic around Jetty View Park. Everything is code 4 and nothing to report at this time. I then proceeded to make my way over to the clubhouse to turn on porch light and secure clubhouse.

**9:00pm to 10:00pm:** In this hour, I patrolled all areas of the community and everything is code 4 and traffic around Jetty View Park is dying down. I then continued my patrol.

**10:00pm to 11:00pm:** In this hour, I started to walk the beach and notice 6 people sitting in the sand so I informed them of the beach closure and they understood and eventually proceeded to leave. I then proceeded to head over to the pier and upon arrival there were 2 people fishing on pier and 2 people at kids beach so I informed them of closure at 10pm and they understood and cleared out and left. I then proceeded to put caution tape at the entrance of the pier and then continued my patrol.

**11:00pm to 12:00am:** In this hour, I started to make my way around Balboa Peninsula to make sure all parks are secured and unoccupied which Miramar Park and L Street Park and M Street Park were. I then proceeded to make my way towards Jetty View Park and upon arrival there was 5 people sitting on benches so I kindly inform them that the park closes at 11pm and so they understood and proceeded to leave the park.

**12:00am to 1:00am:** In this hour, I took my lunch and started on my report.

**1:00am to 2:00am:** In this hour, I then proceeded to head towards A St. to M St. checking for any activity on the side streets leading to beach area and everything is clear and code 4 at this time. As I continued my patrol I noticed a left opened garage at 2242 Channel Rd so I took a pic and continued patrolling.

**2:00am to 3:00am:** In this hour, I continued patrolling all areas of the community everything is code 4 and clear and there is no traffic around Jetty Park as well as beach area and pier. S/o Walter Jenkins now off duty.
