A Message From The President

Hi All,

How about that 4TH of July Parade and Picnic? What a great way to spend time with our neighbors! My family and I had a lot of fun riding (pedaling) the parade route. My daughter Maxine and her friend Sophie had fun throwing out candy to everyone. My apologies to anyone who took a hit from the candy throwing-the girls were very excited. The events we have could not be possible without the help of all the neighbors who volunteer their time and for that **the BPPA Thanks You**. Special thanks again to Shanna Piani and Sue Sanders for all of their time. Great Job!!!! Thanks to Harriet Pallette for taking photos of the parade and picnic-they should be posted on the website by the time you read this. If you have any pictures you would like to share you can go to the website, www.balboa-nb.com, find the photo tab and follow the directions to download them. If you have any trouble, contact Bob Yant or Paul McKelvey and they will help you.

There were some tables that belong down at the bay beach that were mistakenly picked up during clean up after the picnic. Everyone who helped clean up the park please check the tables they brought home to see if any of them are marked BPPA. If you happen to find one, please call John Bonar and he will come by and pick it up from you.

On the topic of our Neighborhood Parks: Before we could set up "L" Street Park for the 4th of July Celebration our group of volunteers had to clean up **Doggie Messes** for about an hour. Even while we were setting up people were letting their dogs "do their business" on the grass where people were going to be sitting in a few hours. I hope that by bringing this to everyone's attention we will not have this problem anymore. There are **Doggie Bags** in all the parks. If we run out, let us know and we will refill the dispensers.
