

Balboa Peninsula Point Association Boat Ramp Rules

These rules are for your benefit, safety and protection. Your compliance is necessary for the continued availability of this very valuable resource. Please take the time to familiarize yourself with the facility and the rules.

1. In order to qualify for ramp membership you must be a resident (owner/renter) on the Peninsula Point. You must also be a BPPA member in good standing and have paid for a boat ramp key and sticker. We reserve the right to inspect your boat registration at any time.
2. Ramp membership and use is limited to the BPPA member and immediate family. *It is not available to friends or guests under any circumstances.* The ramp is not available for commercial use.
3. Payment for the ramp membership, key and sticker can be made at any time during the year but is not prorated. The fiscal year runs from June 1st to May 31st.
4. The ramp lock is changed on June 1st of each year; it may be changed more often at the board's discretion. Everyone will be notified of such a change.
5. The ramp gate and launch ramp are available for use from sunrise to sunset only.
6. Maximum weight for your trailer and boat is 2000lbs. Maximum length is 18ft.
7. No overnight trailer parking inside the gates.
8. No tie ups at the dock for longer than 20 minutes. Dock space is limited and it hinders boat launching.
9. *Lock the gate after each use.* Do not leave the lock off the gate, before after or during your visit.
10. Please notify the ramp chairman or any board member of equipment failure or facility concerns.
11. BPPA boat stickers must be clearly visible and affixed to the boat near the CF numbers. Failure to do so may result in revocation of your launching privileges.
12. During low tide the ramp may be very slippery and you should limit the amount of individuals on and/or around the boat and tow vehicle. Safety first.

Use common sense and courtesy at "your" facility. Be respectful of the neighbors living near the ramp.

Happy Boating, *Your EPPA Board*

**Special circumstance may dictate deviation from these rules. All special requests must be coordinated and approved in advance by the Ramp Chairman.
